Karma Manual Wheelchair Model Econ 800

The new multi-adjustable ECON 800 is a quality, lightweight manual wheelchair.

The swing-away and detachable footrest's calf length can be adjusted to fit your body perfectly. Combine that with its flip-back armrest for easy access to desks as well as easy side transfers and you will notice the added convenience in your life.

It's KARMA's multifunctional quality wheelchair at a most affordable price.

Features

- Aluminium alloy frame; weight versus strength are perfectly balanced.
- The rear wheels can be adjusted to different users' seat height demands (16.5" to 19").
- The flip-back armrest and swing-away / detachable footrest (with adjustable calf length) add convenience to your life.
- The caster angle adjusts to correspond with the seat height adjustment and performance requirements of the user.
- Pneumatic rear wheels and PU casters for great performance and a smooth ride.
- Available sizes: 18"x17"
- Quick release rear wheels
